HIGH SCHOOL COURSE/GRADE INFORMATION

This section asks about your basic academic preparation in selected college preparatory high school courses. See the instruction booklet for alternate course titles.

If you are on the trimester system, report 1 trimester as 1/2 year of credit and 2-3 trimesters as 1 year of credit.

If any of your courses are in a block schedule so that you earn 1 full year of credit in a semester—in half the usual time—mark the credit you earned or will earn.

- **Past and Present Courses and Grades Received.** For each course you have taken or are now taking, fill in the oval for the amount of credit you earned or will earn for the course. For each course for which you have completed one or more terms (semester, trimester, etc.), fill in the oval for the grade from the most recent full term.

- **Future Courses.** For each course you plan to take before graduation, fill in the oval for the amount of credit you will earn for the course.

- **Honors, AP, and IB Courses.** Fill in the oval for any past, present, or future course that is an Honors, Advanced Placement®, or International Baccalaureate® course.

- **Foreign Languages.** Follow the instructions for this section.
